Leadership Transition Intensive

A 90-Day Sprint for Leaders Stepping into Bigger Roles

The first 90 days in a bigger role set the tone for everything that follows — and no one hands you the unwritten rules. The Leadership Transition Intensive is a fast, structured sprint for the leader who just stepped into more scope, or is about to, and needs to land it well: a real operating plan, a real stakeholder map, and the presence to match the new seat.

WHO THIS IS FOR	WHAT'S INCLUDED
– Recently promoted, or about to step into a bigger role – Facing a stakeholder and political landscape they don't yet know well – Wants a concrete operating plan, not just encouragement – Ready for a fast, high-accountability pace	– 13 weekly one-to-one sessions over 90 days – Accelerated, high-touch cadence – A finalized first-90-days operating plan – Full stakeholder and influence map, plus Day 30/60/90 checkpoints

THE 90-DAY ARC

1 Orient & Diagnose <i>Understand the real landscape before acting on it.</i>	2 Build & Position <i>Turn diagnosis into a plan, presence, and early wins.</i>	3 Solidify & Sustain <i>Make the gains durable well beyond Day 90.</i>
